

Payment regulation

Dear parents,

hereby we inform you that in accordance with **the Learning Agreement Appendix 2 Tuition Fee (Payment conditions) Clause No.1 Basic Tuition Fee**, the legal representative is obliged to pay the tuition for the **first – fourth grade in the school year 2023/2024** as follows:

- a) **220,00 EUR monthly** in case that the number of pupils is between eleven (11) and sixteen (16),
- b) **260,00 EUR monthly** in case that the number of pupils is less than eleven (11).

In case that the pupil has a sibling in a higher grade, in accordance with **the Learning Agreement Appendix 2 Tuition Fee (Payment conditions) Clause No.7 Discounted Tuition Fee** the legal representative is obliged to pay the tuition for the **first - fourth grade in the school year 2023/2024** as follows:

- a) **165,00 EUR** monthly for each sibling of a SSŠ pupil who attends a class with the **number of pupils from eleven (11) to sixteen (16)**,
- b) **195,00 EUR** monthly for each sibling of a SSŠ pupil who attends a class with the **number of pupils less than eleven (11)**.

Pursuant to **Learning Agreement Appendix 2 Tuition Fee (Payment conditions) Clause No.11 Basic Tuition Fee** for a pupil in first – fourth grade is increased by 50 % of the Basic Tuition Fee or the Discounted Tuition Fee, **if the pupil is a foreigner and has no command of Slovak Language**.

The Enrolment Fee for the **school year 2023/2024** represents the sum of **200,00 EUR**. Pupil's legal representative is obliged to pay the Enrolment Fee within five (5) days from the effective date of the Agreement.

School account IBAN: **SK39 1100 0000 0029 5570 6590**

variable symbol: pupil's Birth ID No.

transaction description „**First name and surname of the Pupil, Enrolment Fee/Tuition Fee**“

Executed by: Mgr. Katarína Soľáková, 0911 134 282, sekretariat.human@gmail.com

The Tuition Fee includes:

- **extended teaching of English Language** from the first grade – 3 lessons a week,
- integration of English Language by means of **CLIL methodology** (Content and Language Integrated Learning) in natural sciences and humanities;
- **implementation of an international Primary Years Programme (PYP)**, governed from the contextual, expertise and organizational point of view by International Baccalaureate Organization seated at Route des Morillons 15, 1218 Grand-Saconnex, Geneva, Switzerland within the School Educational Programme for primary education valid from 1 September 2020, **payments for educational qualification** of pedagogic employees who are required to obtain an international PYP certificate and **yearly compulsory membership fee** for schools authorized to provide PYP education,
- prescribed **textbooks for compulsory educational subjects**,
- **workbooks for the teaching of compulsory educational subjects**,
- **Private School Club for pupils**,
- organizing of school cultural and sports events and activities,
- **accident insurance of pupils, insurance of pupils' personal property**,
- innovation trends and methodologies in educational process,
- system of monitoring of emotional intelligence, general intellect and level of knowledge of students through testing methods,
- individual approach of the teacher due to maximum 16 pupils in the classroom.

The Tuition Fee does not include the costs of:

- activities and teaching carried out by the third parties (including the teachers of foreign languages) who are not employees of School and provide the education of the Pupil in **facultative English School Club**;

- pedagogical-educational activity carried out by employees of School and/or third parties who are not employees of School and provide **interest-based education for pupils** within **interest groups of Private Leisure Centre**,
- transport costs and catering during activities planned **within the interest groups of the School**,
- **school meals** for the Pupil.

The sum of fees for the above costs is determined by a special decision issued by the Headmistress.

Mgr. Eva Bednáriková
Headmistress
