## Save the Christmas

Once upon a time there was a small kid named Robert.

He lived in a small city.

When he was 11 years old he wanted to work for Santa so he started to send letters to Santa. Hi dear Santa can I work for you? I want to help you deliver the presents.

I know it's going to be a difficult job because there are many children around the world but believe we can do it.

I am a hardworking boy

I don't have any problem working all night

In fact, I want to see how the elves make some of the presents in your workshop.

By the way, my little sister Sarah told me she'd like to get a horse this year.

I have no idea how to wrap in up in a box. Hahaha  
we'll see how.

To be able to help you deliver the presents I would need you to pick me up in Nitra.

Can you do that for me?

As for this year, I don't want a lot. Just a ride across the world. It'd be amazing to fly over the continents.

thank you.

Yours

Robert Harris.
